MM0DGR/p Photo and video report -
Photo and video report about my trip to Loch Lomond National Nature Reserve (GMFF-046 & GMFF-002) is ready and listed at: www.srars.org/wff-reports/gmff-046.htm . Please don't judge me strictly, I am not a professional, it's just my hobby as well as a HAM radio. The QSL-card for this DX-pedition has been already designed and printed. All who made a QSO with me will receive this QSL-card shortly via the QSL-bureau. I would like to thank you guys for calling and supporting me during this WFF activation.
